She's got those Elgin movements with a ten-year guarantee.

No one can come between us, or sweet mama deals with me,

That's why everybody loves my baby, but my baby don't love nobody but me.

Nobody but me

You'll rule this land with me, 'cause I'm the Shiek of Araby.

He's the Shiek of Araby, very talented fella,
He plays the washboard in all the keys, and you should hear him with "D'ardeneila."
His crescendo is tremendous, and what a tune he can play on the jug.
His obligato is sweet and mellow - oh my, he knows the bunny hug.
He knows the latest kind of songs, and he can play "Scheherazade."
He's the Shiek of Araby, won't be long - won't be long to Baghdad, daddy.
All he knows is bodle-y-o-do, bodle-y-o-di. He's the Shiek of Araby.
