Am  Cool wind in my hair
On a dark desert highway,
I heard the mission bell
There she stood in the doorway,
she got the Mercedes Benz
Her mind is Tiffany twisted,
"Please bring me my wine", He said
So I called up the captain,
The pink champagne on ice, and she said
Mirrors on the ceiling,
running for the door
Last thing I remember, I was

E7  Warm smell of colitas,
Cool wind in my hair
And I was thinking to myself: this could be
Heat heaven or this could be hell
She got a lot of pretty, pretty boys,
that she calls friends
"We haven't had that spirit here since
of our own device"
"We are all just prisoners here,
I had to find the passage back to the
Place I was before

G  D  C
Warm smell of colitas,
rising through the air
And I was thinking to myself: this could be
and she showed me the way
She got a lot of pretty, pretty boys,
sweet summer sweat
"We haven't had that spirit here since
far away
"We are all just prisoners here,
I had to find the passage back to the
Place I was before

D  C
Up ahead in the distance,
I saw a shim-mer-ing light
Then she lit up a candle
and she showed me the way
How they dance in the courtyard,
sweet summer sweat
And still those voices are calling from
far away
And in the master's chambers,
They gathered for the feast
"Relax," said the night man, "We are
Pro-gram-med to receive

F  C  E7
My head grew heavy and my sight grew dim,
I had to stop for the night
There were voices down the corridor;
I thought I heard them say:
Some dance to re-mem-ber,
some dance to for-get
Wake you up in the middle of the night,
Just to hear them say:
They stab it with their steelly knives but they
Just can't kill the beast
You can check-out any time you like, but
you can never leave"
