

Upside Down (key of G)

by Jack Johnson

(♩ = 110)

INTRO: (| G | G | Am | Am |) x 2

[G] Who's to say
 [G] What's impossible well [Am] they forgot
 [Am] This world keeps spinning around with [G] each new day
 [G] I can feel a change in [Am] everything
 [Am] And as the surface breaks [G] reflections fade
 [G] But in some ways they [Am] remain the same
 [Am] And as my mind begins to [G] spread its wings
 [G] There's no stopping curi-[Am]-osity
 [Am] I wanna turn the whole thing

[G//] Upside [Am//] down
 [C//] I'll find the [D//] things they say just [G//] can't be [Am//] found
 [C//] I'll share this [D//] love I find with [G//] every [Am//] one
 [C//] We'll sing and [D//] dance to Mother [G//] Nature's [Am] song
 [C//] I don't want this [D//] feeling to go away

(| G | G | Am | Am |) x 2

[G] Who's to say
 [G] I can't do everything but [Am] I can try
 [Am] And as I roll along I [G] begin to find
 [G] Things aren't always just [Am] what they seem
 [Am] I wanna turn the whole thing

[G//] Upside [Am//] down
 [C//] I'll find the [D//] things they say just [G//] can't be [Am//] found
 [C//] I'll share this [D//] love I find with [G//] every [Am//] one
 [C//] We'll sing and [D//] dance to Mother [G//] Nature's [Am] song
 [C//] This world keeps [D//] spinning and there's

[Bm] No time to [Am] waste
 Well it [Bm] all
 Keeps [C//] spinning spinning
 [D//] 'round and 'round and

[G//] Upside [Am//] down
 [C//] Who's to say what's [D//] impossible that
 [G//] Can't be [Am//] found
 [C//] I don't want this [D//] feeling to go away

| G | G | Am | Am | G | G | Am | Am | G/ | → let last note ring

• "X" marks where a percussive note should be. Use a pinky mute or a "chunk"

• Pinky mute: lay pinky across all four strings while strumming. No tone should be made.

• "Chunk": strum across all four strings with 1-4 fingers then immediately stop vibrations with your palm.

• The original key is E. If you want to play along with the original recording, change G, Am, C, D, Bm to E, F#m, A, B, G#m.
