

# In My Dream

by Michael DaSilva

Key of G

**Intro**

| D | D | D7 | D7 |

**Verse 1**

| G | Cadd9// C// | G | Cadd9// C// |  
 In my dream you're smiling at me. Holding my hand for the world to see.

| D | D | D7 | D7 |  
 Even though, ocean's wide, in my dream we're side by side.

| G | Cadd9// C// | G | Cadd9// C// |  
 Sunlight shining through your hair, lips so sweet a kiss I dare,

| D | D | D7 | D7 |  
 Pulled you in close to me, in your eyes, I can see...

**Bridge**

| Em | Em | Am | Am |  
 How... you went a - way...

| A7 | A7 | D7 | D7 |  
 Why... you couldn't stay...

**Verse 2**

| G | Cadd9// C// | G | Cadd9// C// |  
 While I sleep I remember you, kissing under a blanket of blue.

| D | D | D7 | D7 |  
 Being soothed, deep inside. Holding me, above the tide.

| G | Cadd9// C// | G | Cadd9// C// |  
 Bright warm days, I re - call, music in the air, not a worry at all.

| D | D | D7 | D7 |  
 Giggles and grins throughout the day, then somehow you would say.

**Bridge**

| Em | Em | Am | Am |  
 How... I went a - way...

| A7 | A7 | D7 | D7 |  
 Why... I couldn't stay...

**Verse 3**

| G | Cadd9// C// | G | Cadd9// C// |  
 When awake, I think of you, so instead of feeling blue,

| D | D | D7 | D7 |  
 I just wait till the moon's above, and in my dream I'm still in love.

| G | Cadd9// C// | G | Cadd9// C// |  
 Then I can, be with you, smiles and laughs, oh, so true,

| D | D | D7 | D7 |  
 No where else I need to be, because in my dream, I can see...

**Bridge**

| Em | Em | Am | Am |  
 How... we went a - way...

| A7 | A7 | D7 | D7 |  
 Why... we couldn't stay...

**Repeat Verse 1 then Ending**

| G | Cadd9// C// | G | Cadd9// C// | G | Cadd9// C// | G |
