

# Hound Dog (with selected "Answer" songs)

by Jerry Lieber and Mike Stoller, first recorded by "Big Mama" Thornton in 1952.

Best known version, of course, is 1956 recording by Elvis Presley

*"Hound Dog" would eventually become one of the most litigated songs in recorded music history; a lawsuit filed in 1953 over one answer record in particular would force Sun Records owner, Sam Phillips, to the brink of filing bankruptcy and finally to the decision to sell his contract with Elvis Presley to RCA*
